## SCHOOL REPORT.

Monthly Report of Monroe City Public School.

Friday Jan. 13th was the end of the fourth month of school and on that day the regular quarterly examinations were held. Quite a number of pupils excused from the examinations on account of satisfactory work done during the quarter. It is hoped by the faculty that more pupils will avail themselves of the opportunity to get out of examinations for the third quarter. There are some pupils in each grade and some in each class of high school who have to take examinations because they do not work during the session. Every pupil above the fifth grade should do some school work at home and parents are requested to see that this work is done. Parents whose children do not make as good grades as they think they should make are requested to consult the teachers as to the cause of low grades. It is frequently the case that parents and teachers working together can do what parents or teachers alone would fail to do.

The enrollment has increased to 369 in the white school and 75 in the colored school, a total 444. The enrollment at the end of the fourth month last year was 448. The average daily attendance for the past month was 369. High School led in attendance 96.5 per cent.

During the month the school library has been catalogued and rearranged. We are badly in need of an extensive addition to our general library. The High School library has been strengthened by the addition of about fifty books, which were purchased from the proceeds of an entertainment given by the pupils of the High School.

The following pupils in the grades have made grades during the month which entitle them to be placed on the roll of honor.

### ROLL OF HONOR.

Grades 2, 4 and 5 had the highest rank on lines for the month.

Grade 7 had no tardies, truants or corporal punishments.

There were nineteen tardies during the month. We should like to have this number greatly reduced in the future. School begins at 9 o'clock and every pupil should be in his room at that time.

Respectfully,  
CHAS. B. HUGLEY,  
Supt.

### Lesson—Thiehoff.

Yesterday at 1:30 p. m. Miss Mayme Losson and P. Yancey Thiehoff were married at the Holy Rosary Church by Rev. Fr. John Lyons.

The bride entered the church upon the arm of her brother, William and the groom-to-be was accompanied by his friend, J. Mahony, of Hannibal. As they entered the church Mrs. Clem Young played the wedding march upon the organ that Miss Mamie had played so many marches on, and then Miss Bessie Hays rendered Ade Marie, in a lovely voice.

The bride was gowned in a pretty brown cloth traveling suit with hat and gloves to match and the groom wore a handsome business suit, in color matching the brides costume.

After the ceremony they took the Burlington train for St. Louis, where after spending several days, they go to their new home, Mexico, Mo.

The bride is one of the most charming, popular and estimable young ladies ever raised in this city, one held in the highest esteem by friends and acquaintances.

The groom is one of the Burlington Ry., trusted employees, being yard master at Mexico, Mo.

May their pathway through life be carpeted with daisies and their atmosphere be laden with the perfume of Roses is the wish of the DEMOCRAT.

Friends from a distance attending the Losson-Thiehoff wedding were:

Mr. and Mrs. W. B. Thiehoff and daughter, Mrs. Young, of Hunnewell.

Mrs. and Mrs. W. F. Thiehoff, of Brookfield.

Mr. and Mrs. J. R. Thiehoff, and Mrs. Mary Rouse, of Excello.

Mrs. H. I. Hardy, of M. con.

Mrs. E. L. Howe, of Quincy.

Miss Issa Thiehoff.

Mr. and Mrs. Jno Drescher, Mr. and Mrs. Chas Rett, Mr. and Mrs. W. L. Jacobi, Mr. and Mrs. G. O. Diemer, Mr. and Mrs. H. Zegglin, Mr. and Mrs. J. Minge and Miss Minnie Newman, of Palmyra.

Mr. and Mrs. H. Diemer and Miss Florence, of St. Louis.

A large number of elegant and useful presents were given them by their admirers.

The Rogers & Thompson Department Store paid Miss Mayme the compliment of closing so all of the employees could attend the wedding.

G. R. Wilson and H. V. Meeker left Tuesday for a trip to Houston, Texas.

Mrs. Eunis Noland and children, of Shelbyville, arrived Monday to visit her husbands people.

### Sad Death.

Marcellus Wimsatt was born in Monroe County, Mo., March 4, 1844. Married Miss Martha Montgomery Nov. 14, 1865. Died at his home south of this city Jan. 13, 1905. The funeral services were conducted by Rev. Fr. Coney at St. Stephens Church, Indian Creek, at 10 a. m. Saturday the 14th inst.

From any and every view point, Marcellus Wimsatt, was one of natures noble men, one of Indian Creek townships best citizens, one that will be missed by all who were fortunate enough to know him.

He was a faithful and devoted member of the Catholic Church.

He leaves a devoted wife and one son, William, to mourn their loss.

Mr. Wimsatt's death was doubly sad, because it was caused by an accident. Wednesday Dec. 2, 1904, he and his nephew, George Montgomery, were hunting and George's gun was accidentally discharged, the full load taking effect in one Mr. Wimsatt's feet. The foot was terribly mangled and blood poison set in. Mr. Montgomery has the sympathy of many friends in his sorrow and remorse for the accident.

### Gone Wrong.

For several days it has been rumored on the streets of Monroe City, that Dick Reynolds, a prominent attorney of Paris, is a forger and has skipped the country.

Tuesday we learned through James McGee of Paris, that Dick had caught several individuals and that the banks of Florida, Paris and perhaps Stoutsville were involved.

Rumor said Dick caught \$7,000 or \$8,000 and then told his wife he was going to St. Louis on business and then disappeared. Mr. McGee said that Dick only got \$3,800 or \$4,000. For his wife's and innocent children's sake we hope the tangle can be straightened out.

### Linwood Links.

Rev. Burris conducted quarterly meeting at the M. E. church at Cincinnati, last week.

Leo Haydon returned Tuesday from St. Louis, where he has been attending Christian Brother's College.

Mrs. Harry Couch visited her son in Hannibal, Saturday and Sunday.

Miss Ella Haydon entertained a few of her friends from Shiel.

### Faith of Presidents.

Although the Baptist denomination is one of the most numerous in the United States, there never has been a Baptist president.

There have been two Congregational presidents—John Adams, the second president, and John Quincy Adams his son.

President Roosevelt is the second president of the Reformed Dutch church, Martin Van Buren having been the first.

Millard Filmore was a Unitarian, the only Unitarian president.

Washington, William Henry Harrison, John Tyler and Zachary Taylor were Episcopalians, as was Chester A. Arthur.

There have been five Presbyterian presidents—Andrew Jackson, James K. Polk, James Buchanan, Benjamin Harrison, and Grover Cleveland.

President Garfield was a member of the Church of Disciples.

Prior to the civil war there had been no Methodists president of the United States. Since 1861 the following presidents have been Methodists: Abraham Lincoln, Johnson, General Grant, R. B. Hays and William McKinley.

There has never been a Lutheran nor Roman Catholic president.—New York Sun.

The fine piano which the DEMOCRAT is going to give away is worth hustling for.

### Successful.

Once again we have the pleasure of chronicling the success of a Monroe business man. Will A. Sullivan was raised in this city and spent years receiving a business training in his father's and uncles' dry good and clothing house. He then took up life insurance and in that was successful. Then he concluded to drop the road and go into business in the best town—the Queen of the Prairies—that his wide experience made him acquainted with. January, 1, 1903 just two years ago, he opened up a stock of clothing and gents furnishing goods in the north room—22½ by 75 feet—under the Monroe Hotel. Being an exclusive and up-to-date line of goods, the place soon became popular and now he has just doubled the size of his house by leasing the south or adjoining room. A doorway has been cut near the front and a large archway about the center of the length of the rooms. Fresh paint and paper make the rooms just what a first class house should be. The north now with a big stock of goods is devoted to clothing exclusively, tables put in and display tables along the wall. The south room is filled with everything of the best in the gents furnishing line. The desk and safe have been moved to the big archway and the stove from the rear of the north room to near the arch. As a whole it is a big showing and he as well as the DEMOCRAT gives the excellent stock of goods carried and persistent ADVERTISING THE CREDIT FOR IT.

The regular meeting of the W. C. T. U. will be with Mrs. S. Francis on Tuesday, January 24, at 2:30 p. m.
